

## DADS Omaha Access & Opportunity Award Application

### Scholarship Purpose:

The Access & Opportunity Award provides financial assistance to families of individuals with Down syndrome, helping cover essential costs related to learning and personal development that foster growth and inclusion. Offered in partnership with nonprofit organizations in the Omaha area, this award reflects the DADS Omaha mission to assist and support families through fellowship and action.

Applications are reviewed holistically, with consideration of individuals circumstances and access to resources. The award is available to individuals elementary age or older in the Omaha metro area and is designed to support activities and programs that are not otherwise funded by grants or government reimbursement.

Applications should be submitted in advance whenever possible, allowing scholarship funds to be disbursed directly to the nonprofit program sponsor.

**Note: Brief applications will be considered, and DADS Omaha will attempt to respond in a timely manner.**
